

CITY NEWSLETTER

As the last few weeks before Christmas approach we would like to send our best wishes for a wonderful Christmas and a healthy, happy and prosperous New Year.

A Very Modern Tradition

During the run up to Christmas, visitors to Farmers & Fletchers In the City will be welcomed by the impressive sight of two magnificent seven foot Nordmann Fir Christmas trees, supplied by Christmas Forest. The trees are just two of more than five million trees grown for sale this year by the 300 plus members of the British Christmas Tree Growers Association (BCTGA).

According to Andrew Dyke, Company Secretary, Farmers Fletchers Hall Limited, "By supporting the BCTGA and buying British grown Christmas trees from BCTGA growers it means money is going directly back into the farming economy and also helps provide employment in the agricultural sector".
